Favorites Well Played but Seldom Won-Finishes Were All Close and Excling.

It was another bad day for those who on the favorites at yesterday aftracing. The program was the rack another splendid attendance. The

was not any too lively the horses ranged form and the finishes were all hoty contested. Favorites were well played but seldom won and the prices were sot what they should have been.

The first race was as pretty a contest is one would wish to see. At the finish four horses could be covered with a manket, so close were they. On the mart Belle Brady was in fourth place, it soon overhauled her competitors, and coming down the stretch she, with faneuil Hall. Mazapas, and Swaggerlator and the four were neck and neck to the mish a winner. Both Swaggerlator and the four were neck and neck to the mish a winner. Both Swaggerlator and the four were neck and neck to the mish a winner. Both Swaggerlator and mazapan were played heavily. In this ace Banhama ran away with Jockey parker and try as he would the rider sa unable to stop the runaway animal mill he had circled the course three times. The runaway caused many to

think him a good horse to bet on in a mile race.

The second race also saw a red hot finish. Grahame was the favorite, but Penn was preity well played at 2 to 1 and 3 to 2. At the stretch Grahame had a fair lead but began to slacken, while Penn gradually crawied up, winning by a close margin. Silver Grain defeated the favorite for place.

Rather Royal did not disappoint those who placed their money on the handsome animal, taking the fourth race by three lengths, beating Martinmas, the choice, and George Guyton, who came in second. Salvage looked like a winner in the following event, but Fore upset calculations and won without trouble.

Proper was well played in the fifth, but made a very poor showing. On the last turn he was seen to suddenly drop back while Aks Ar Ben came down the stretch and took first place with Huapala following.

Stanford Has No Easy Time in Winning Meet From Provo Athletes

While Stanford defeated the B. Y. U. in the track meet at Provo yesterday, the California athletes had no easy time in foing it and were crowded closely for every event and when the contests were over with they realized they had been up against worthy opponents. The California team won by a score of 69½ to Provo's 50½.

One of the features was the splendid running of Miller in the half. He made the distance in 2:001-5. Wyman did the quarter in :512-5. Scott did the pole vault at 11 feet and 6 inches. The high, the broad jump and the 220 went to Baird of Provo. Peterson won the hammer and threw it 138 feet 2 inches, breaking the state record by nearly two feet. Idaho Falls Takes Third Straight
Game from Colored Boys.

Idaho Falls, Ida., May 26.—Idaho Falls,
II: Occidentals, 4. This was today's score
on the local diamond.

Again Jack Neves' Irrigators demonstrated that high altitude and good alfalfa scent in the air, coupled with consistent practise, goes a long ways in
perfecting ball players. The local boys'
team work was magnificent. They bunted the ball when they needed to, and
knocked a home run when the crowd demanded it, and, in fact, from beginning
to end they played ball as it should be
played. One of the prettiest features
of the games, and, in fact, the first time
it occurred on the local diamond, was
when Harmon knocked a home run by
landing the ball over the far field fence.
The colored boys played hard and willingly, but the cause was a lost one.

Today's game is the third successive
one that Idaho Falls has won from the
colored lads. Capt. "Fat" Hicks' head
work was of much use to the home lads,

the locals; Langtry and Langford for the

nounces that at a meeting of the Intermountain Baseball league, called for Friday morning in this city, dropping Boise will be discussed. It is stated that the league has proven a financial failure in the Idaho city and that the franchise will be \$\parallel{a} to discuss the statement until the league meets.

Helena. May 26.—From what can be learned here, the league directors will discuss the question of strengthening Boise's team, rather than drop that city from the league. It is felt that there has been insufficient time to determine if the Idaho capital will support a league team.

Joe Marshall, who went from Helena to Boise, in an effort to secure the management of the Irrigators, has returned and, while he declines to talk, it is said on excellent authority, that he will be placed in charge of the team. Marshall played with the St. Louis Nationals last year, and it is thought he can materially strengthen the Irrigators. Con Strouthers, manager of the Boise team, declares that he knows nothing about the proposed meeting or its developments.

JOHNSON-KAUFMAN.

San Francisco. Cal., May 27.—It was learned yesterday that the champlon, Jack Johnson, had deciared his willingness to neet Al Kaufman in this city in July or August for \$10,000 win lose, or draw. The local fight promoters, Lecari and Coffroth, have been in communication with Johnson and to both he made the same reply. They are endeavoring to bring Kaufman to terms and as his manager, Billy Delaney, has promised an answer soon, it is expected that the match will be arranged within a few days.

Lecari wishes to bring off the bout July 5, as a part of a big out-of-door sporting carnival.

Coffroth wants the August date and the sporting fraternity is inclined to believe that he will get the match.

CORBETT MAKES REPLY.

"I have no desire or intention to fight Johnson. He is in better hands now that Jeffries has undertaken to restore the honor to the white race. When I announced that I was willing to fight Johnson it was far from my desire to get back into the lighting game. I felt merely that some one had to challenge the black man.

Now that Jeffries has agreed to meet him there is no occasion for me to give any attention to Johnson."

Prize Collie Deliberately Commits Sensational Suicide

esty, his lack of desire for pomp and glory, blue ribbons and caresses, or whether he could no longer endure the din of barking, howling, crying and snarling, or whether he was tired of self destruction, is not known, but the fact is that "Trampas," the valuable Scotch collie owned by D. B. Martin, and entered in the Utah Kennel club's bench show this morning, committed sulcide in a most sensational and thor-

ough manner.

Jumping from the third story window of 45-47 west First South street to the pavement below, his life was dashed out, and now grief reigns at the bench show.

Like all faithful dogs, "Trampas" obediently followed his master to the show this morning and permitted himself to be collared, duly tagged and placed in the stall assigned him. But after that the colle had different plans and proceeded to carry them out with-out a moment's hesitation. It is not known whetlier or not he tried to hang

pavement.
The suicide was so deliberate that none could doubt the intentions of the handsome collie. He refused to remain in the building and could see no other way out than by the long journey that knows no return. And he took it fear-lessly. The bruised and battered body was picked up and carried to a back room of the building, and there was more than one pair of moist eyes as the full significance of the act became

apparent.
"Trampas" was not only a handsome dog, but he was kind and intelligent, and his untimely death will be greatly mourned by all who knew him. It is practically a certainty he would have won a prize in the show, but for this sort of thing he cared naught. If he had some secret trouble he carried the known whether or not he tried to hang himself with his own collar, but being a big dog and strong, he saw a way out of all his dog difficulties. It was the only way for him and he took it so quickly that interference was out of the question. Breaking his chain he jumped from the stall when the keepers were not looking, dashed quickly.

EDWARD SUMMERS. ONE OF DE-TROIT'S STAR PITCHERS.

Much of the Detroit Americans' early good showing this season is due to the good work of the pitchers. Mullin is leading the league, with Summers next. The latter is one of the best youngsters that has broken into the major leagues in several years. In the fall of 1907 Manager Jennings obtained Summers from the Indianapolis club of the American association. Last season the youngster made a splendid record in the box, winning 24 games and losing 12. Sum-mers has good control and a cool head, and Manager Jennings says he will be ip among the leading twirlers at the

Bert Margetts is anxious to get the Idaho Falls team to come here for a scries of three games, Saturday, Sun-day and Monday.

Entries for the Decoration Day bleycle road race between Salt Lake and Farmington on Monday will close this evening. Manager Rippeto reports splendid progress and predicts the race will be the best ever.

Local horsemen regret very much that Judge Blum, who ruled Jockey George Archibald from the Ogden track, refuses to reinstate him. The jockey is recognized as a clever one, and it is claimed that Judge Blum acted hastily in pronouncing such severe punishment.

W. E. and T. M. Samuelson and Parley Glies, three more well known bike riders, arrived in the city last night and are ready for the doings on the saucer under Harry Heagren's management, It will be the first year for Gles in the professional ranks, and he is confident of making good.

WANTS A MATCH RACE.

New York, May 27.—John R. Madden, the breeder of race horse Sir Martin, whose chances of winning the English Derby yesterday were nullified by his fall, suggested last night that the horses' present owner arrange a match race with Minoru, the winner of the Darby. He declared his belier that Sir Martin when not interferred with by other horses and given an equal chance with Minoru, would defeat the king's horse.

"NO FIGHT," SAYS JOHNSON.

New York, May 27.—Jack Johnson, the colored heavyweight enampion pugilist, made the following announcement from a box in a local theater last night:

"The public nor anybody in this house will never live to see James J. Jeffries and Jack Johnson fight. Jeffries for anybody in this house condition. He carries too much fat. I am confident and nostitive that the public will never see Johnson and Jeffries fight. I am going to California to fight Al Kaufman."
